17 DOGS IN VEHICLES ON HOT DAYS. Your is vulnerable and at risk during hot weather and the Kennel Club offers the following guidelines to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air conditioned seriously consider whether travelling to show is a good idea at all.

The vehicle should be well ventilated as possible and plenty of stops should be taken with lots of water available to drink

Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around your dog.

When at the show NEVER leave your dog in the vehicle

Keep your dog in the shade -take your own shade for example a large umbrella and always have plenty of water available to drink so you or dog will be hydrated.

Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember if you feel hot your dog is very likely to feel too much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare. **WARNING IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**>Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dogs are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse entry.

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

19. No modifications will be made to the schedule except by permission of the general Committee of The Kennel Club, which will be followed by advertisement in the canine press wherever possible.

20. **DOGS FOULING**>Any owner, exhibitor, handler, or other person I charge of a dog is requested to remove as soon as possible any fouling caused by their dogs at any Kennel Club licensed venue or within the environs of that event including car & caravan park & approaches. Adequate receptacles for the disposal of such fouling will be provided

21. **PASSES** >Exhibitors passes will NOT be sent. For acknowledgement of entries please enclose S.A.E

INTRODUCING

OUR JUDGE

Mrs V Tanner

I have been involved with dogs all of my life then over 45 years ago I had my first Boston, a breed I still own, becoming Club Secretary for 35 of these after which I was proud to be elected President of the Club.

When I met my first Shar Pei in the 80's it was love at first sight!! Because of the early health issues, I waited until things had improved before purchase my first one from the Konishiki line in 1995. She was everything I had dreamed of being a natural show girl with a personality to die for. I bred and owned several others and still have one who was also successful in the show ring

I served on the SPCGB becoming Vice chairman for many years working with the KC and AHT on health, breed standard and other issues. I also organised the 'SPOTY' for several years which proved so popular with members.

I have judged the breed on many occasions and was approved to award CC's in 2007.
